

# Connection Types

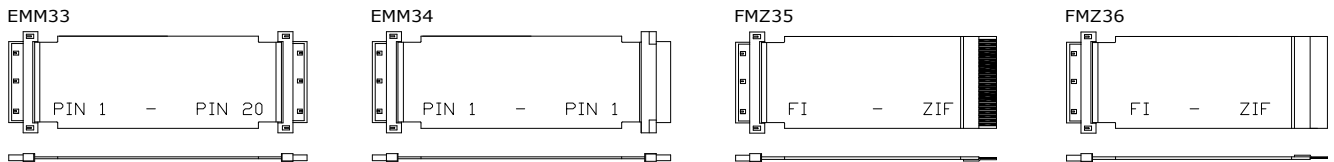

DF19

Non-shielded version (FDC), Painted shielded version (FDB).

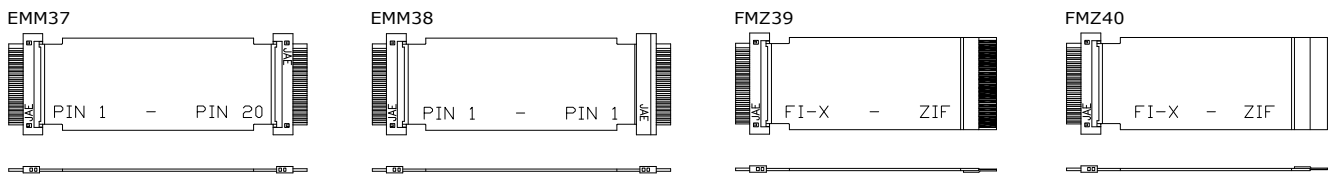

FI

Non-shielded version (FDC), Painted shielded version (FDB).

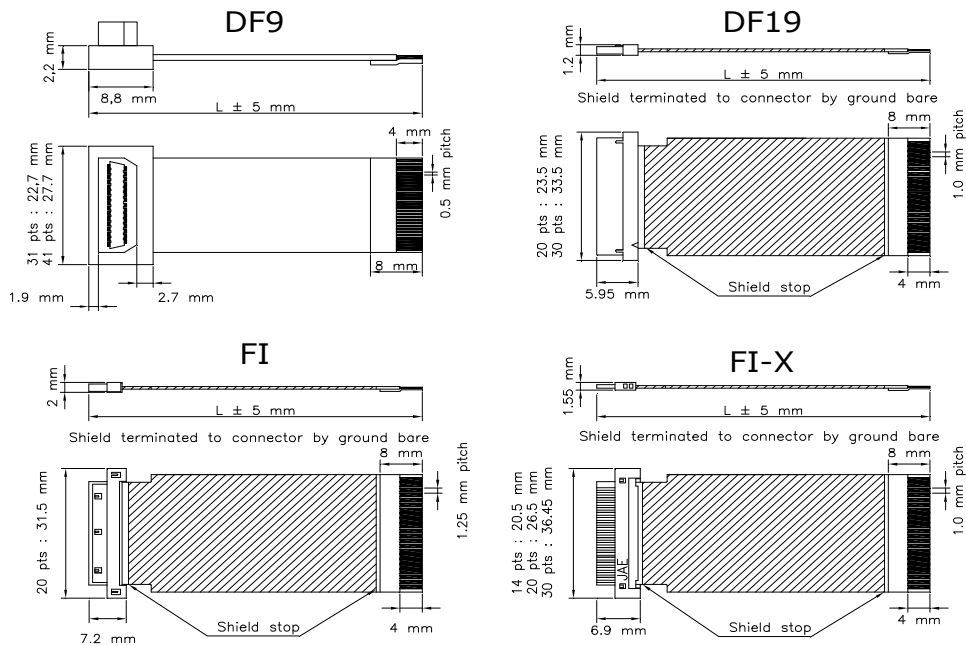

FI-X

Non-shielded version (FDC), Painted shielded version (FDB).

## CRITICAL DIMENSIONS

For ZIF ending of DF19 / FI / FI-X versions = number of conductors + 2

To allow the compatibility with 20, 30 and 40 pins ZIF connectors, we can punch the extremity of the flat cable
