

REACH

DECLARATION OF CONFORMITY

REACH (EG) 1907/2006

We, ES&S Solutions GmbH, are manufacturers of electronic and electromechanical products, a responsible user in accordance with the REACH regulation (EC) 1907/2006 and therefore are not subject to chemical registration requirements.

To fulfill the information responsibility along the supply chain according to Article 33 of the regulation, ES&S Solutions GmbH monitors the regular updates of the SVHC candidate list. This information can be found on the ECHA website at the following link:

<https://echa.europa.eu/en/candidate-list-table>

Based on the information provided by our suppliers, the items supplied by ES&S Solutions GmbH comply with the requirements of the REACH directive - concerning the restricted use of certain substances of very high concern (SVHC) in electrical and electronic devices.

We would like to point out that some products contain the substances from the candidate list in concentration above 0.1 % by mass (lead CAS no. 7439-92-1 - max. 4 % w/w). However, these products can still be used without restrictions, as under normal intended conditions of use, no substances are released.

We also declare that we will inform relevant companies, if components of the delivered products contain any substances listed on the ECHA SVHC list above the limit values.

The information provided does not imply any assurance in terms of warranty law, even though it has been given to the best of our knowledge and belief based on the information provided by our suppliers.
